TO THE

SIR,

Pending the appointment of a successor to the lamented Dr. Coyne, I have the honour to submit the Annual General Abstracts of Agricultural Statistics for Ireland, which give, by Counties and Provinces, the acreage under Crops, and the number and description of Live Stock in Ireland in 1904.

The materials necessary for the compilation of these Statistics were obtained by members of the Royal Irish Constabulary and Metropolitan Police, who discharged this important duty with zeal and efficiency.

The Abstracts, which have been carefully compiled from summaries made by the Enumerators, may in some slight degree differ from the revised figures which will be subsequently published.
